**We're hiring
Education Innovation
Experts**

**20
years
Graines
dePaix**

 **APPLY by 12th Oct. 2025**

You are an Expert in Education innovation and passionate about current developments.

- You are convinced that education has a key role to play in improving our societies, and are keen to make this a reality.
- You are well-versed in the benefits and challenges of digital education and AI-integrated education, and would like to take an active part in our upcoming Ed Lab.
- You enjoy managing large programs and co-creating with educational authorities.

These are full-time positions based in Geneva, starting immediately.

Graines de Paix Foundation

Graines de Paix celebrates its 20th anniversary and launches Graines de Paix 2.0 for the next 20 years. Winner of the UNESCO-Hamdan Prize (2022) and the Smart Peace Prize (2019), our NGO is a pioneer in the transformation of education in Switzerland and Africa.

We develop educational programs and resources that combine academic learning, human values and life skills learning, essential for quality education, violence prevention, peace and respect for nature.

Our actions strengthen students' self-esteem, mental well-being and a full set of life skills, while supporting teachers and families to prevent violence and foster learning harmony.

In partnership with the Ministries of Education, Social Affairs and Gender Equality, we contribute directly to SDGs 3, 4, 5 and 16.

Our programs are run in Switzerland and Africa, and are aimed at teachers, students at pedagogical institutes, community organizers, social workers, religious leaders and parents. Our beneficiaries are pupils and children, girls and boys, of all ages, from any region or country.

Responsibilities

Lead the design and management of an e-learning platform (Graines de Paix 2.0)

- Design and animate experiential e-learning modules.
- Integrate the ethical use of AI as a support tool for teachers.
- Take part in coaching participants.

Co-manage the pedagogical components of our national and international programs.

- Assume leadership of certain large-scale projects.
- Build partnerships with international agencies and educational authorities.
- Provide strategic direction to our internal and external evaluations.

Foster our development

- Host discussion groups in our forthcoming EdLab.
 - Develop a group of pedagogy trainees.
-
